

For Salesforce implementation partners

Xappex Partner Kit for Salesforce Implementation Partners

At Xappex, we're looking for innovative Salesforce implementation partners to collaborate on seamless data management and automation solutions for Salesforce users. As our partner, you can offer powerful, white-labeled tools to your clients, unlocking new revenue streams for your business while empowering your customers to succeed.

★★★★★

App Exchange 5/5

20%

Earn 20% of the Monthly Recurring Revenue (MRR) from every client you onboard—forever.

Why partner with Xappex?

Revenue Sharing Model

Earn 20% of MRR forever for every client using the Xappex solution through your referral. A true win-win—set up a recurring revenue stream for your business.

White-Label Solutions

Provide our powerful tools under your brand. With fully customizable logos, corporate colors, and templates, your clients see your solution while we handle the heavy lifting behind the scenes.

Comprehensive Support

Our team offers full support for onboarding, troubleshooting, and updates. Thus, you can focus on growing your business while we ensure everything runs smoothly.

Extend Your Customer's life cycle

Having your customers use Xappex tools for their daily data management tasks can help you generate billable hours for you, to be set up and maintained.

Seamless Integration

Offer tools that complement your Salesforce implementation services, helping your clients optimize processes like data syncing, bulk operations, and reporting directly from familiar spreadsheet environments like Excel or Google Sheets.

Low Effort, High Reward

Xappex solutions can be included in your contracts with minimal effort. Once deployed, they provide consistent value to your clients and recurring revenue to you.

Transparent Revenue Management

As a partner, you'll have access to your own dedicated Partner Account, where you can:

- Manage client subscriptions and teams.
- Track the revenue generated in real-time.
- Monitor the performance and usage of the tool across your client base.

What you can offer your clients with Xappex

01 Effortless Data Management Automate bulk uploads, updates, record merges and deletions in Salesforce.	02 Enhanced Reporting Use spreadsheet-based tools for real-time, customizable reports.	03 Custom Templates Build and deliver pre-configured workflows tailored to each client's needs.	04 Integrated Processes Simplify and automate complex data operations without leaving their favorite spreadsheet tool.	05 Cost Savings Enable all team members to view and edit Salesforce data without requiring additional expensive Salesforce licenses.
